BACK TO SCHOOL! - Take the Course that you never took, Retirement Planning 101!

Or …

What to Do about Your Retirement Income with the Market Correction Coming?

Regardless of our age, doesn't everyone experience that "Back to School" sense of urgency about this time every year? Preparation, anticipation, and ultimately, the requirement to pass the Course! Still dreaming about the Final Exam?

There is one Subject you should take, and never fail, to avoid a lifetime of misery. Where have you learned, and passed, Retirement Planning 101? At Wernham Wealth Management Inc., we share that knowledge every day!

Our clients know that our Discovery Meeting, Recommendation Review, and Periodic Visit *process*, educates our clients about issues, that many planners never discuss.

Everyone receives their own, no obligation, Retirement Blueprint, with recommendations and guidance. The result, a retirement of gain, or by omission, a retirement income of pain.

We teach the unique concept that "retirement income is more important, than retirement assets". Heard that concept from anyone else? It is the new retirement income thinking! Here are some reasons to support the concept ….

The Pearson government in 1965, introduced the Canada Pension Plan. Five decades later, that program is underfunded by $884 Billion. We need to talk with you about that.

This year, since the market high of February 21, the S&P/TSX Composite Index (Canadian Stock Market) has dropped over 4% (at the time of writing). What impact will that have on your lifetime retirement income? We have important information about that.

At age 60 you have a 50% chance of living to age 90 or longer, yet the financial plans of many individuals will not reflect these averages. Our process solves your need to understand longevity risk. Will your retirement be longer than your career?

Where is your money going to come from, for as long as you live?

The Class that you must not miss, however, is to learn how to avoid losing so much of your future retirement income to the coming Market Correction. Go to page 2008!

NOW, is the time to "Get Safe and Stay Safe". If you have yet to build guaranteed annual lifetime income into your retirement income solution, we need to share our homework with you! Please visit with us as soon as you can!
